### PREMIUM GATE CUTTERS STARTER KITS

GCKIT-P1	STARTER KIT INCLUDES ALL FIVE MODELS OF PREMIUM CUTTERS: SNP-145R, PN-125F, PN-150F, PN-175F and AN-150B	\$63.30 (\$69.85 Value)
----------	--	----------------------------

# Plastic Cutting Tools

## Gate Cutters Starter Kit

Starter kit contains five different models of cutters ideal for close trimming and accurate cutting in confined areas. Each cutter is uniquely designed to efficiently remove gates and spurs from molded parts. See pages 85-86 for dimensional information.

PART NO.	STARTER KIT INCLUDES:	PRICE PER KIT
GCKIT-1	(MS549J) 4" FLUSH CUT DIAGONAL, (P4-3) 4" THIN DIAGONAL, (P57) 7" DIAGONAL - FLUSH GROUND, (M57RP) 7" HEAVY DUTY DIAGONAL and (M57ER) 7" HEAVY DUTY ERGONOMIC	\$108.00 (\$114.55 Value)

# Plastic Cutting Tools...continued

Crescent cutters are designed and manufactured to the highest quality standards. Made of better steel, with a better finish and heat treat, they provide reliability and efficiency. Available for a wide range of plastic cutting and trimming applications, they are ideal for repetitive cutting while removing gates and spurs from molded parts.

## Flush Cut Diagonal Cutter

- Oval Jaws with Narrow Tips Permit Flush Cutting in Confined Areas
- Blue Vinyl Cushion Grips
- Handle Coil Springs Reduce User Fatigue

# Premium Hose Cutter

## APPLICATIONS:

- Heater Hose
- Fuel Line Hose
- Copper Wiring
- PVC Pipe
- Garden Hose
- Insulation for Electrical Wiring
- Any other Generally Cylindrical or Elongated Resilient or Semi-Resilient Material

## FEATURES:

- Tempered Swedish Steel Blade
- Metal Housing
- PVC Coated Handles
- Cutting Tension Controlled by Steel Spring
- Handle Lock

***A reliable, all-metal tool which produces a straight, clean cut on any rubber or plastic hose up to 1<sup>1</sup>/<sub>8</sub>" diameter.***

***Ideal for use on all SFP hoses and tubing.***

PART NO.	DESCRIPTION	PRICE EACH
MC-1010	Multi-Cutter	\$29.50
MC-1010B	Replacement Blades 2/pkg.	\$12.00
