

# Latex / Rubber / Nitrile Gloves

## Disposable Powdered Nitrile

NitriShield® textured glove reduces hand fatigue and is 2-3 times more puncture resistant than vinyl or latex. 100% nitrile construction ensures durability and provides chemical protection. Get the dexterity and flexibility of disposable gloves without the risk of latex allergies.

### FEATURES:

- Rolled cuff and pleasant aroma for increased comfort
- 100% nitrile construction
- Available in sizes Small to Extra Large

**GLOVE PATTERN:** Reversible

**CUFF DESIGN:** Slip-on

PART NO.	DESCRIPTION	PRICE PER BOX
G6020L	Disposable Powdered Nitrile - Large	\$11.20
