

Measuring Micrometers

Precision Measuring Micrometers

Quick - Simple - Accurate

Measuring Micrometers allow precision measuring with 0.0001" or 0.01mm graduation. Deluxe heat insulated forged steel frame and carbide tipped construction are designed for solid performance and long life. Micrometers have a ratchet stop and lock nut to ensure exact repetitive readings. All micrometers come with box for safe storage.

Standard Micrometer w/Thimble & Sleeve Readout

PART NO.	RANGE	PRICE EACH
*MIC 0-1	0" - 1"	\$28.00
MIC 1-2	1" - 2"	\$31.00
