Strike-Pro® Dead Blow Hammer

These Dead Blow Hammers feature a patented Power-Drive® Dead Blow technology. The Dead Blow assembly is completely encased within a polypropylene outer jacket for tough, lifetime durability. Specially formulated striking faces are engineered to withstand years of tortuous striking.

FEATURES:

- Fiberglass Handle for Maximum Lifetime Performance
- Ergonomic Grip Design Reduces User Fatigue and Vibration
- Bright White Color for High Visibility in Workplace
- Resistant to Industrial Chemicals
- Non-sparking, Non-marring
- Made in U.S.A.

PART NO.	WEIGHT	NOMINAL FACE DIA.	NOMINAL HEAD LENGTH	O.A.L.	PRICE EACH
STPN16	16 oz.	1.375"	4.75"	12"	\$24.10
STPN24	24 oz.	1.75"	5"	12"	\$32.00

Power-Drive® Dead Blow Hammers

The Power-Drive® is the finest industrial grade Dead Blow Hammer line on the market for the most demanding applications. The patented shot-loaded composite interior cavities are encased in a tough polymer outer jacket to produce more striking power and less rebound than any hammer of its kind.

FEATURES:

- Specially Engineered Striking Face Material Provides Extreme Surface Protection and Increased Durability
- Brass Face Optional on One Side
- Ergonomic Grip Design Reduces User Fatigue
- Resistant to Industrial Chemicals
- Non-sparking, Non-marring
- Made in U.S.A.
