

Smooth Production Flow Eliminate Friction & Binding

MS100 Heavy Duty Silicone Lubricant

A multi-purpose 6%, high viscosity silicone spray for general maintenance applications that can smooth the flow of production by reducing friction and binding. Can be used in molding, cutting, sawing and slicing, as well as on chutes, conveyors, tools, guide rails, hoppers, and tables. Prevents the build up of ink and adhesives, as well as prohibiting rust and preventing static electricity. Repels moisture and is both odorless and stainless.

Packaged twelve 20 fluid ounce (13 oz. net weight) cans per case.
